Hello to all Members of Atworth Parish Council and residents of Atworth.

2013 Annual Neighbourhood Watch report - Parish Council

My name of Rosemary Ward and I see m y role as Atworth Neighbourhood watch co-ordinator as helping to pass on any information I receive from our Neighbourhood Policing team (Melksham rural North). This is headed up by Barry Dalton who, together with Police community support Officers Janet Gould and Maggie Ledbury, keep me updated on matters regarding community activity, policing priorities and outcomes of concerns raised by Atworth community.

In brief, I am the point of contact between Atworth villagers and the Policing team. I then pass on this information to the members of Neighbourhood watch by email and also write an article for the monthly Atworth Village magazine. In this I try to write handy hints and tips on keeping safe at home. Together the Policing team and I work with the aim of improving the quality of life for everyone living in Atworth village and hopefully reduce crime and the perception of crime.

Last year, 2012, with the help of funds donated from a Quiz Night held at the White Hart I was able to have 8 new Neighbourhood street signs erected throughout the village. I am always open to hearing any suggestions that any Atworth residents may have to give.

Kind regards,

Rosemary Ward Co0rdinator for Atworth Neighbourhood Watch.
