Churchfield crawlers runs on a Tuesday morning, from 9 15 - 11am, in the school hall during term time. There are around 12 members, with about 6 or 7 coming on a regular basis. About half the members live in the village. We generally have tea/coffee for the parents whilst the children play, then have a break for a snack before a bit more playing. Sometimes we run craft sessions and in the summer move outside to use the school playing field.
